Steps to writing

- Remember to use capital letters.
- For dates use numbers, not words, e.g., 09.11.2016 (not 9th November 2016).
- Your full name is your first name, your middle name and your surname (or family name), so *Sally* (first name) *Millicent* (middle name) *Jones* (family name).
- Remember: English addresses have the number of the house first and then the street, e.g., 32 Gloucester Road (not Gloucester Road, No. 32).
- DOB means *Date of Birth* – you need to insert your birthday.
